

## FACT Accreditation Workshop

Thursday, August 24, 2023

8:00 am - 12:00 pm

### Presenters

**Daniel Couriel, MD**  
Program Director

University of Utah Transplant and Cellular Therapy Program at Huntsman Cancer Institute and Intermountain Primary Children's Hospital

**Federico Rodriguez Quezada, SBB, MLS(ASCP)**

Stem Cell Lab Coordinator  
UF Health Shands Hospital

**REGISTRATION**  
7:30 AM

**WELCOME**  
8:00 AM

**OVERVIEW OF FACT ACCREDITATION AND HOW TO PREPARE**  
8:05 AM

**Daniel Couriel, MD**

Dr. Couriel will describe the accreditation process from application to accreditation. He will define common terminology for the accreditation process and explain the function of the accreditation coordinator. Dr. Couriel will also summarize the inspector's role in the process of accreditation. The audience will participate in interactive knowledge checks throughout the presentation.

**THE KEY TO COMPLIANCE SUCCESS**  
9:15 AM

**Daniel Couriel, MD**

Dr. Couriel will review the entire compliance application process and identify documents required for submission.

**WHAT TO EXPECT DURING THE INSPECTION**  
9:45 AM

**Federico Rodriguez Quezada, SBB, MLS(ASCP)**

Federico will review program requirements during a FACT inspection. He will also list tips and identify strategies to help programs navigate a successful inspection process.

**BREAK**  
10:15 AM

**CORRECTION OF DEFICIENCIES**  
10:30 AM

**Daniel Couriel, MD**

Dr. Couriel will explain the most common challenges in complying with the Standards, and construct a plan to correct the deficiencies.

**RISK ASSESSMENT**  
11:00 AM

**Federico Rodriguez Quezada, SBB, MLS(ASCP)**

Federico will guide programs through the process of risk assessment and execution of the plan.

**VALIDATION**  
11:30 AM

**Federico Rodriguez Quezada, SBB, MLS(ASCP)**

Federico will discuss how to choose what to validate, criteria to select when adding or changing a service, and performing the validation.
